Proposal: Application to reduce the crown of 1 Oak by up to 2m tree protected by Tree Preservation Order 97/00008/TPO

Location: 6 Blenheim Court Willand Cullompton Devon EX15 2TE

The application lacks a clear site location plan.

This tree is one of a number along the dividing bank between the housing development and Jaycroft. Most of the trees along this lane give it a 'country lane' feel and they are all of a similar age and size. They are a positive contribution to the country lane street scene.

Although the applicant has indicated that there is damage to the tree there is no Arboriculturalist evidence supplied to support this and any damage is not clear from the photographs. Any unsafe branches should be approved for removal.

No evidence is supplied to justify the reduction of the crown as requested.

The Parish Council will support the findings and decision of the Tree Officer.
