

Report from The Pantry

This year we will be organising the following events (all dates will be confirmed within a few days)

Easter egg delivery for the mature folk in the village

Village doorstep sale, followed by an Auction

Afternoon tea

Jumble sale

Father Christmas visit

Christmas hampers for the village

2022 was a successful year for the Pantry, we prevented food from going to landfill by redistribution throughout the village, we fund raised on your behalf to keep our shelves well stocked for the benefit of the whole village, we distributed 300 Easter eggs, we produced 70 Christmas hampers (these contain a full Christmas dinner and anything you could possibly need on Christmas day!) We arranged for Santa to visit, we even ordered snow for when he arrived! (Clever aren't we!) We held afternoon tea, organised a village sale, pamper evening....

This year we aim to..

Produce meal bags with full instructions, cooking from scratch more regularly as these were a great success in 2022 (they are also very time consuming)

We introduced a charge a few months ago of £3 for 10 items, this money is used to restock our shelves weekly.

The cost of living currently is scary for everyone, we are here to take a little pressure off. Pop in before you go to the supermarket, we guarantee you'll save some money!

The Pantry is open to ALL WILLAND RESIDENTS

We are open Monday to Friday 9.30am until 11am
