

## Willand Tennis Club Report 2023

Willand Tennis Club provides social and competitive tennis for both juniors and adults. We have four hard courts which can be booked and used by members of the public as well as club members. Club membership for both juniors and adults increased during 2022 and is up overall by around 40% on the previous year - we have had a very good year. We ran regular club sessions on Monday and Thursday evenings, an annual club tournament and a social tournament, and our coach, Nigel Little, provided coaching sessions for both juniors and adults throughout the year. He also provides individual coaching if required. Last summer we entered four teams (two ladies, two mens) in the Exeter and District Tennis League, and one mixed team in the East Devon Tennis League. We play throughout the winter, and entered teams in both winter leagues. At the beginning of the year we installed new LED floodlights on courts 1 and 2 which has resulted in a great improvement. New members, junior and adult, are always very welcome. For more information please go to our website [www.willandtennisclub.co.uk](http://www.willandtennisclub.co.uk)
