Subject: Willand Garden Club

Hello Debbie,

We've written a Report from Willand Garden Club for the Parish Meeting in March, but I can't seem to attach it to an email, so I'm setting it out below. I'll print it off and bring with me to the meeting.

'Willand Garden Club
Report for Parish Council of WGC's Activities in 2025

The Club held 8 meetings at the Willand Village Hall during the year; two coffee mornings in April and September; a plant sale in May; an outing to the Lost Gardens of Tiverton (Ashley Court) in June; a Bring and Share Supper combined with the AGM in July; and a Christmas Party in December.

Our Programme Secretary arranged a lively and interesting range of speakers, and our numbers have gradually increased. We meet on the second Wednesday each month at 7 p.m. in the Club Room at the Willand Village Hall with a break in January and February. Annual membership is £8.00 a head which includes refreshments at each evening meeting. Members qualify for a 10% discount on plants and related purchases at The Old Well Garden Centre, Waterloo Cross, on production of their membership card.

Our Secretary, Jennifer, will be happy to provide any further information (01884 798370)

Dorothy Anderson, Treasurer.'

Thanks

Dorothy
