Pantry

The Pantry has been running successfully for almost 5 years.
We help on average 18 local families/individuals a week.

At Christmas we produced 61 full Christmas dinners for local families, we help an affordable Santa day for local families, we also held a community lunch for the elderly/ isolated in the village. We were lucky to receive a grant towards the cost of this.

Last Easter, we held a fish and chip lunch, we were promised a donation towards the cost, (£492) sadly the individual never paid, so Helen paid for everything personally.
As a result, we won't be holding a Easter lunch this year.

We will still give out Easter eggs in the village.
